

Accessibility Information

Heatherwick Studio Campus is spread across several buildings, all within a five minute walk in the Kings Cross area, and have varying degrees of physical accessibility. If you have any specific needs or requirements when visiting the studio, please let us know in advance.

Reception for visitors and guests is via Willing House, our central building at Heatherwick Studio. This building has step free access, accessible washroom facilities, and a parking space that we can book in advance of your visit if required. Our other buildings have a mixture of step free and stepped access, with some accessible washroom facilities.

For more information about access at the studio or to discuss in detail how we might best cater to your specific needs, please contact the studio.
